

Buy a Brick

Orderform

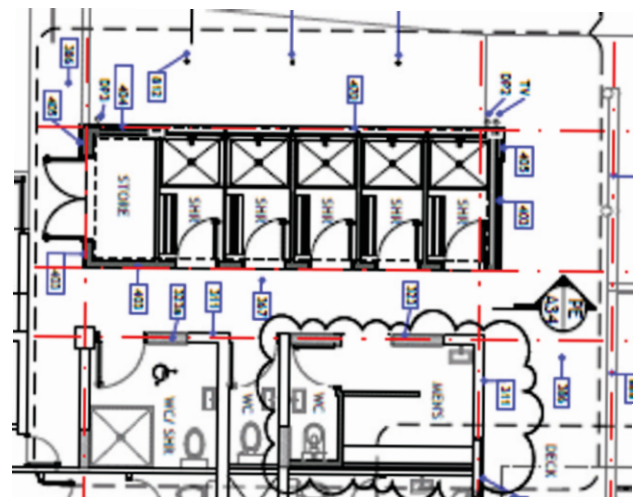

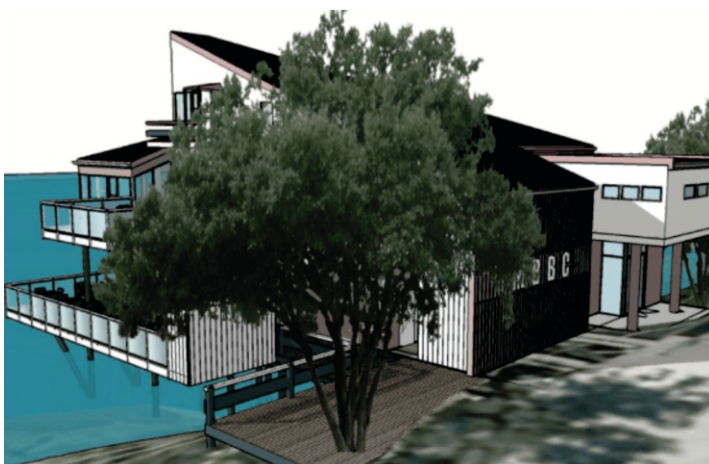

Thank you for your donation towards helping us complete our new upgraded Toilets, Showers, and Wetrooms facility.

The Maraetai Boat Club has started upgrading the outside toilets, showers, and wetrooms to cater for the ever increasing demand by various organisations to host water sports activities in the Maraetai - Beachlands area. Support for this project has been received from Pub Charity Ltd, Franklin Local Board, and NZ Community Trust to start us off but in order to complete the project we need to raise at least a further \$50,000.

Your donation will help us achieve this goal and have the facility completed for use in Autumn 2021. In recognition of your donation your name/s or family name will be recorded on engraved stainless steel 'Bricks' and placed surrounding a commissioned sculpture on completion of the project.

This unique 'Whale Tail' sculpture will be erected front and centre of the Maraetai Beach Boating Club nearby Traceys Walk where everyone can view it for years to come when strolling by.

Maraetai Beach Boating Club Inc. ASB **12-3083-0197577-01** and use your name as ref.

Phone 536 6649 ext.2 during office hours for all enquiries.

Please fill out the detail below with what you would like engraved on your stainless steel 'Brick' which will be displayed adjacent to the metal sculpture.

#1 Brick

Family or individual donation.

120mm x 50mm.

Max. 14 characters per line.

Text will be centred.

1 line can be Bold typeface

A rectangular form with rounded corners, representing a 120mm x 50mm brick. It features two horizontal dashed lines for text entry, one near the top and one near the bottom. Small circles are positioned on the left and right sides, indicating mounting points.

#2 Brick

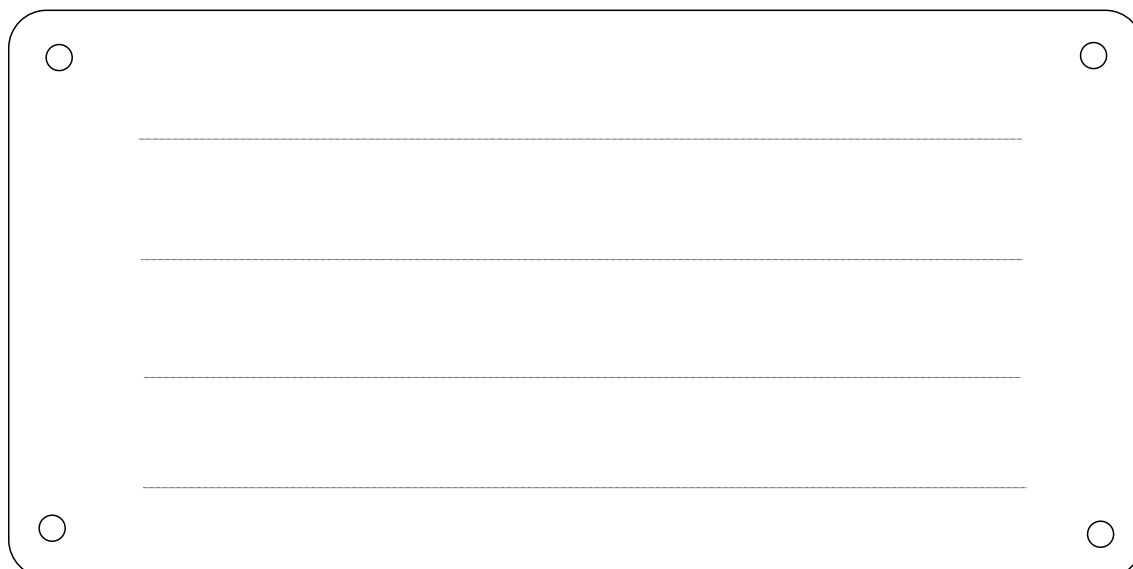

Family or individual donation.

150mm x 75mm.

Max. 16 characters per line.

Text will be centred.

1 line can be Bold typeface.

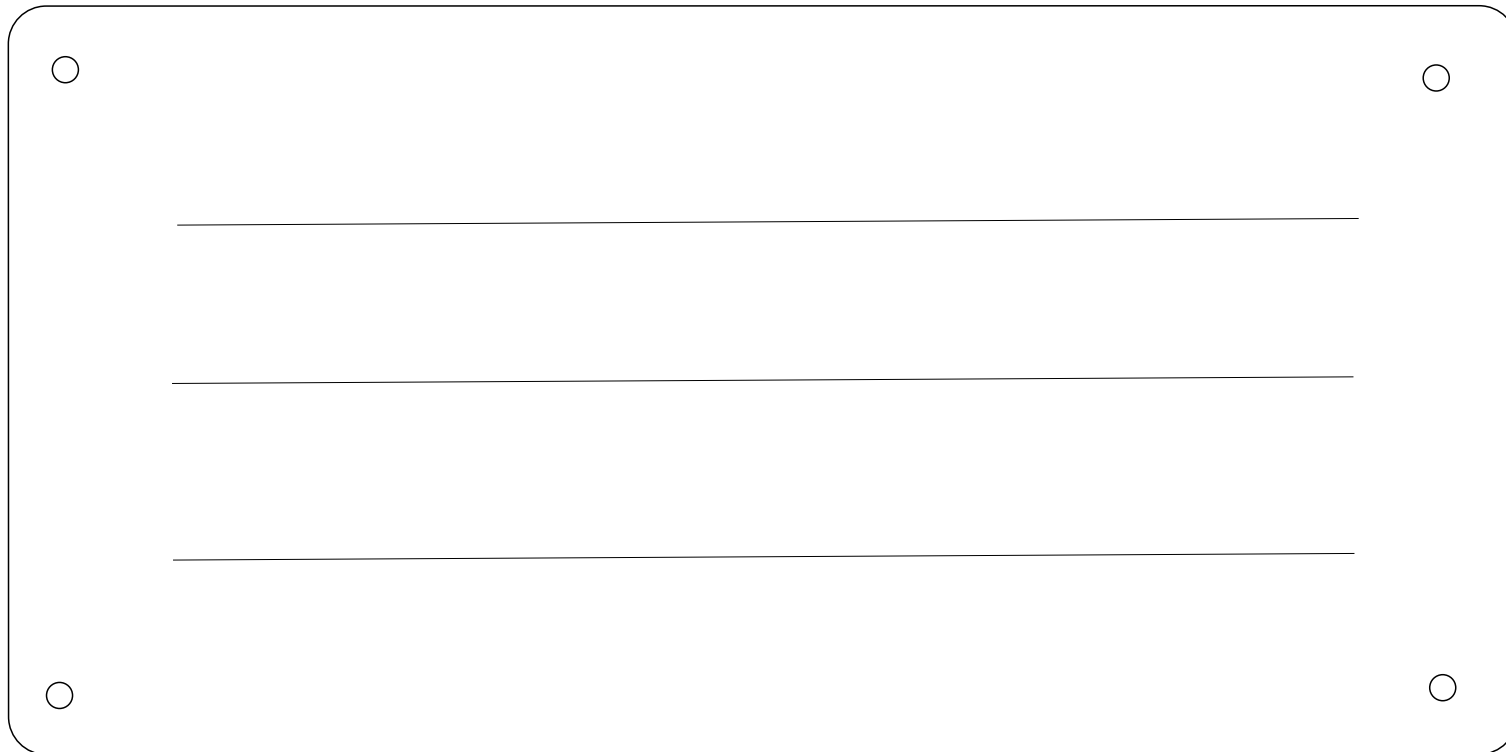

A rectangular form with rounded corners, representing a 150mm x 75mm brick. It features four horizontal dashed lines for text entry, spaced evenly. Small circles are positioned at the top-left, top-right, bottom-left, and bottom-right corners, indicating mounting points.

#3 Brick

Business donation 200mm x 100mm

Max 22 characters per line, centred.
Up to 3 lines, 1 line can be a **Larger** and **Bold**
typeface.

#4 Brick

Business donation 250mm x 150mm

Example:

1 Logo and up to 3 lines of text using your fonts and sizing.

Please phone for alternative layout options to suit.

A large rectangular template for a metal brick, featuring rounded corners and four circular mounting holes at the corners. On the left side, there is a vertical rectangular box containing the word "LOGO" in large, bold, black capital letters. To the right of this box, there are three horizontal lines spaced vertically, intended for text. The entire template is enclosed in a thin black border.
